

The Cost

A standard fee structure applies irrespective of company size.

Regular fees:

Annual subscription - £1,125 (to cover running costs)

AGM – approx. £200 (hotel costs for this two day event)

Joining fees:

Application fee - £700 (includes cost of initial compliance audit). If your application does not proceed after the audit, we will refund £175.

Annual subscription – a pro-rata fee will be charged in the first year, depending on when you join during the year.

VAT should be added to all prices quoted above. Guild payment terms are strictly 30 days from date of invoice.

Groups of companies

The Guild has introduced a new structure for companies in common ownership. One company is designated the "lead member" and pays the fees as above; other eligible companies within the group then pay a reduced subscription of only £325 pa and a one-off joining fee of £400.

All members - "lead" or "subsidiary" receive equal prominence in Guild publicity. Subsidiary members do not however have a vote in any Guild decisions.

All figures correct at September 2007 as applying to the 2008 year. Subscriptions are reviewed annually and approved by Members at the September meeting to apply to the following calendar year.
